## *The Wedding Garden*

Outdoor wedding ceremonies are popular at Applewood Hall. Our beautiful garden is an integral part of our venue and has been designed to provide a stunning backdrop so you can say your vows with a view!

The landscaped garden is complete with festoon lighting, decorative gazebo and a sun-kissed terrace.

The manicured lawn provides plenty of space for larger numbers and is also completely enclosed so it's child-friendly.

Don't be deterred by the unpredictable British weather as the Orchard Room is just a few steps away and can be used as an alternative option if rain stops play on the day!

Exclusive use of our Wedding Garden is included in all our Bespoke Wedding Packages. If you'd like to add the option of an Outdoor Ceremony, a supplement applies for the provision of outdoor-suitable seating.
